HOTELS

STAY FOR THE FAIR. York has hundreds of hotels and guest houses to suit all budgets. These listed here are on the racecourse / SW side of town, and most need the 01904 York STD code. York Visitor Centre (01904 550099) offers a booking service, or you can use www.visit-york.org. The price bands for the hotels are: 1 is £50 or less, 2 is £51-£70, 3 is £71-£90, 4 is £91-£120 & 5 is £121+ all based on two people sharing. On 10th February Travelodge were offering rooms at £46 for April 4 & £68 at York Tadcaster for April 5. Premier Inn £68 for Friday April 4 & £70 for Saturday April 5. Booking.com had rooms from £50 upwards. These annual lists are taken from the York Visitor Guide, which for some reason this year has cut down on the number of hotels it lists. So more than half are left unaltered from last year's list, so please be aware that some entries may be out of date.
